Welcome

Greetings & Announcements – Pastor Flo

Call to Worship – Hardy Hemphill

Hebrews 11:1-7 NIV

Leader: Now faith is being sure of what we hope for and certain of what we do not see. This is what the ancients were commended for.

People: By faith we understand that the universe was formed at God's command, so that what is seen was not made out of what was visible.

Leader: By faith Abel offered God a better sacrifice than Cain did. By faith he was commended as a righteous man, when God spoke well of his offerings. And by faith he still speaks, even though he is dead.

People: By faith Enoch was taken from this life, so that he did not experience death: he could not be found, because God had taken him away. For before he was taken, he was commended as one who pleased God.

Leader: And without faith it is impossible to please God, because anyone who comes to him must believe that he exists and that he rewards those who earnestly seek him.

All: By faith Noah, when warned about things not yet seen, in holy fear built an ark to save his family. By his faith he condemned the world and became heir of the righteousness that comes by faith.

Prayers of the People – Dan Yuen

Our Father, who art in heaven, hallowed be thy name, thy kingdom come, thy will be done, on earth as it is in heaven. Give us this day our daily bread; and forgive us our debts, as we forgive our debtors; and lead us not into temptation but deliver us from evil. For thine is the kingdom, and the power, and the glory, forever. Amen.
